

SOLVENTS & THINNERS

Diggers Methylated Spirits (Violet)

DESCRIPTION

Diggers Violet Methylated Spirits is a denatured alcohol, dyed violet for identification purposes. It is suitable for a variety of cleaning applications.

TYPICAL USES

- Window cleaner
- Heavy-duty disinfectant/hard surface cleaner
- General cleaner for glass, mirrors, tiles, showers and jewellery
- Polishing (French)
- Timber floor cleaner
- Stain remover
- Removing sticker residue

FEATURES

- Highly cost-effective cleaner
- Miscible in water and hydrocarbon solvents
- Suitable for a wide range of cleaning applications
- Purple dye added for clear identification

APPLICATION

General Cleaner

- Use undiluted or diluted with water as a general cleaner for glass, ceramics and jewellery or as a heavy-duty disinfectant.

Stain Remover

- Use undiluted or diluted with water as a stain remover. Spot test on a small, inconspicuous area to ensure product does not stain.

NOTE: Do NOT use on fabric or delicate surfaces as the dye may stain the material.

SAFETY

Wear suitable protective clothing, gloves and eye/face protection when using this product. Not suitable for use in spirit burners. Use in spirit burners could lead to serious burn injury.

Typical Characteristics
