

DIGGERS™ Calcium, Lime & Rust Remover

DESCRIPTION

DIGGERS™ Calcium Lime & Rust Remover is a powerful 'industrial strength' cleaner designed for domestic and commercial use. Its special formulation is extremely effective in removing stains - with no scrubbing required.

TYPICAL USES

Removing calcium deposits, lime scale and rust stains from porcelain, sinks, baths, toilets, stainless steel, glass, chrome, fibreglass and cement.

FEATURES

- Industrial strength – specially formulated to remove tough stains
- Convenient - fast-acting and no scrubbing required
- Child-resistant packaging

APPLICATION

Follow directions on the label. Always test a small area to ensure suitability before wider use.

General Cleaning

- Add 1 part **DIGGERS™ Calcium Lime & Rust Remover** to 1 part warm water. Apply mix to stained area with a brush, cloth or sponge to remove stains. Wash off thoroughly with cold water.

Heavy-Duty Cleaning

- Pour full-strength to cover stained area. Use a brush, cloth or sponge to remove stains. Add warm water and allow to soak for up to 2 minutes. Wash off thoroughly with cold water.

SAFETY

Always wear rubber gloves. Fumes may be harmful, so use in a well-ventilated space.

Wear suitable protective clothing, gloves and eye/face protection when using this product.
