

DIGGERS™ Methylated Spirits

DESCRIPTION

DIGGERS™ Methylated Spirits is a denatured alcohol and a very versatile household cleaning agent commonly used as a hard surface cleaner and disinfectant.

TYPICAL USES

- Heavy-duty disinfectant/hard surface cleaner
- Cleaner for glass, mirrors, showers, tiles, fridges and other household appliances
- Thinning paints, lacquers and varnishes and cleaning paint brushes
- Stain remover/removing ink from non-porous surfaces
- Window and floor cleaner
- Removing sticker residue
- Windscreen washer additive

FEATURES

- Highly cost-effective cleaner/non-smearing
- Miscible in water and hydrocarbon solvents

APPLICATION

General Cleaner

- Use undiluted or diluted with water as a general cleaner for glass, ceramics and jewellery or as a heavy-duty disinfectant.

Stain Remover

- Use undiluted or diluted with water as a stain remover. Spot test on a small, inconspicuous area to ensure product does not stain.

Windscreen Washer Additive

- Add 100ml into washer tank and top off with water.

SAFETY

Wear suitable protective clothing, gloves and eye/face protection when using this product. Not suitable for use in spirit burners. Use in spirit burners could lead to serious burn injury.

TYPICAL CHARACTERISTICS

Appearance colourless liquid
Specific Gravity..... 0.79–0.81
Flash Point 13°C
