

DIGGERS™ Citronella Torch & Lamp Oil +BIFENTHRIN

DESCRIPTION

DIGGERS™ Citronella Torch & Lamp Oil +BIFENTHRIN delivers a premium blend designed to enhance your outdoor lighting experience with improved mosquito repelling effectiveness. It combines Citronella Oil with Bifenthrin to help repel mosquitoes whilst offering ambient lighting, making your outdoor space more comfortable.

TYPICAL USES

- Table top torches
- Garden torches
- Outdoor oil lamps
- Killing & repelling mosquitoes

FEATURES

- Long-lasting mosquito protection for extended outdoor enjoyment
- Ensures a functional and enjoyable outdoor lighting experience
- High-quality blend ensures a clean and efficient burn

APPLICATION

Use in well ventilated areas only. Carefully fill lamps or torch burners with DIGGERS™ Citronella Torch & Lamp Oil +BIFENTHRIN only when the flame is extinguished and the torch or lamp is cool. In still conditions or when wind is light and variable, place lamps or burners 2 meters apart. When wind is presistent and from the same direction, lamps or burners must be positioned up to 3 meters apart. Position and light lamps or torch burners 10 to 15 minuts before using to kill and repel adult mosquitoes already in vacinity.

SAFETY

Will irritate the eyes, nose, throat and skin. Avoid contact with eyes or skin. Do not inhale vapour. Wash hands after use. DO NOT SWALLOW. CONTAINS HYDROCARBON LIQUID: 769mL/L.
